MARK'S REMARKS,

MAY MEETING

Our May meeting will be at our field this Sunday, May 16 at 2 pm. This will be our first meeting of the year at our field. There is a possibility of rain. If it rains we will meet in the barn. The last couple meetings we have had a good turn out and a great spirit.

Agenda for the May meeting

- We will talk about promoting our June fly-in. I will have flyers for all the club members to take and distribute to friends and around the community.
- We will do some initial fly-in planning.
- I am proposing that we move our June meeting to Sunday, June 13, so that we can meet before the fly-in to do detailed planning. • We will propose meeting on Friday, June 18, at 9 am for a work day to set up for the fly-in.
- Our discussion topic this month will be "control surface flutter".
What causes it? How to prevent it? What to do when in the air and you hear it?

Work Day - Our work day on April 24 was a big success. We had good weather and a great turn out of club members. Thank you to all who helped. A special thanks to Bud Park for meticulously marking all the wood for cutting and assembling. His efforts in advance of the work day made for a very smooth running day. Below are some pictures of the club at work.

Thoughts from the CD:

Big shout out to the club members who attended the Jayhawk swap n shop and the open fly-in last weekend. With the pandemic in our smoke screen, we can return to our roots as a traveling club.

Electric flyers- Don't forget the Jayhawk Electric

As a club our focus will turn to our open flyin, June 19.

Upcoming Events:

Jayhawk Electric	May 29
BS All Size Fly In	June 19
Jayhawk Float Fly	July 10
Jayhawk Fun Fly	July 24
Don Vineyard/Don Moden Memorial large Scale Fly-in	Sept 11
Salina	
John Dalton Memorial Giant Scale Fly In	Sept 18
Jayhawk Big Bird	Sept 25
