Old Business: Planning for the Club's September Fly-In continued from last month's meeting. Mark distributed flyers for members to hand out and promote the Fly-In.

Some discussion about the FAA TRUST certification procedure. It can be found on the AMA or FAA websites. Don't quit the test before you print your card or you'll have to start over again. Our Club does not require one to fly at our field.

Jim Lee asked about the disposition of the old flight stands. They will be demolished and/or hauled elsewhere at this Saturday workday.
